

WHO WE ARE AND WHAT WE DO

The Central Pennsylvania Youth Rodeo Association (CPYRA) was formed in 1992 by several parents who wanted to give kids the opportunity to compete in rodeos. Today, under a governing Board of Directors, the Central Pennsylvania Youth Rodeo Association ranks have grown to nearly 200 members.

Our rodeo season runs from September through August, with 10 rodeos where our youth members compete and accumulate points in the events listed below. The season concludes with a Finals Rodeo, where the top 10 contestants in each event, in each age group, are eligible to compete.
